

Records Retention Schedule

Meán Scoil Mhuire, 5 St. Joseph's Road, Longford

Retention of Records

Schools and ETBs as *data controllers* must be clear about the length of time for which personal data will be kept and the reasons why the information is being retained. In determining appropriate retention periods, regard must be had for any statutory obligations imposed on a data controller. If the purpose for which the information was obtained has ceased and the personal information is no longer required, the data must be deleted or disposed of in a secure manner. It may also be anonymised to remove any personal data. Anonymisation must be irrevocable; removing names and addresses may not necessarily be sufficient.

In order to comply with this legal requirement, *Meán Scoil Mhuire* has assigned specific responsibility and introduced procedures for ensuring that files are purged regularly and securely and that personal data is not retained any longer than is necessary. All records will be periodically reviewed in light of experience and any legal or other relevant indications.

IMPORTANT: In all cases, schools should be aware that where proceedings have been initiated, are in progress, or are reasonably foreseeable (although have not yet been taken against the school/board of management/an officer or employee of the school (which may include a volunteer)), all records relating to the individuals and incidents concerned should be preserved and should under no circumstances be deleted, destroyed or purged. The records may be of great assistance to the school in defending claims made in later years.
