

School Energy Statement

Meán Scoil Mhuire is dedicated to implementing energy sufficient practices, recognising that it is essential to provide a leading example to our pupils and to the wider community.

We are committed to the following:

- Setting annual energy saving targets.
- Improvement in reducing our energy usage.
- Complying with all energy and other legislation.
- Communication of our energy statement programme to all staff, pupils, and parents.
- Minimising the impact that our energy use has on the environment.
- Ensuring that our energy suppliers and contractors are aware of our energy programme.
